TO WHOM IT MAY CONCERN

I am pleased to present my views and observations in respect of Raahim Salman Abdul Ghaffar I have had the pleasure of teaching him Operative Dentistry in the Final year of Bachelor of Dental Surgery Program at Altamash Institute of Dental Medicine

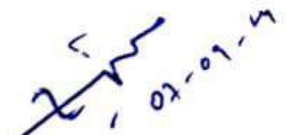

He has been a good student throughout obtaining one distinction in his undergraduate subjects.

Raahim is hardworking, determined and conscientious individual and has the ability to grasp new concept quickly and apply them confidently.

His overall performance during the span has been very good which points towards the seriousness to the profession. He has good patient management skills, is a team worker and blended pleasantly in all class grouping.

I strongly recommend Raahim as the Dental Healthcare provider and wish him the very best in his future endeavors.

Please feel free to contact me if you need any additional information.
